

Tournament planning and event day administration in one simple to use solution.

SCALEABILITY

GoTournamental allows you to tailor your tournament to meet your clubs objectives

AUTOMATION

GoTournamental automatically Schedules your League group and finals fixtures

TIME SAVING

Reduce your volunteering requirements with just one person needed for event day admin

FLEXIBILITY

Tournaments rarely go as planned, but be assured you can change things on the day

KEY FEATURES

Cloud-based

Gotournamental works on all devices, so you can plan your tournament and manage it on which ever device you have to hand.

Ref Slips

Generate your entire set of tournament ref slips with the click of a button.

Fixture Generation

Set the parameters for your tournament and let GoTournamental automatically schedule your fixtures.

Club Invitations

Invite other clubs to enter your tournament, with their own landing page, where they simply add their teams.

Simple Adjustments

If a team or two have dropped out the night before, no problem, you can add a replacement or fully re-do the fixtures for an age group ready for the big day.

Club Sponsors

Thank your clubs sponsors by adding their logos to be displayed to attendees on the day.

Results and tables

Tournament visitors can follow their teams progress online via our Results and Tables page.

Fixtures for Programme

Generate a print friendly fixture set ready for you printer to format your programme.

Don't let Tournament planning get you down, instead just:
